

Full Term First Birthday (FTFB) is a collective impact collaborative advocating for policies, educating our community, and informing our Greater Akron citizens about programs that promote healthy, full-term pregnancies to ensure every child celebrates a first birthday.

The collaborative is pleased to request proposals for funding to support programs, services and activities that utilize data-driven initiatives that rely on evidence- and community-based practices, field research and the community's voice to impact infant vitality. Through this effort, FTFB seeks to support organizations that deeply understand local needs to amplify the impact of efforts aimed at enhancing the vitality and well-being of infants and families. Funds will be directed to grassroots organizations that are actively working to improve infant health outcomes in our community.

FTFB anticipates making up to ten (10) awards in the range of \$3,000 to \$5,000. Since future grant funding cannot be guaranteed, applicants should consider requests to be for one-time funding.

Funds will be directed to grassroots and community non-profit organizations (registered 501(c)(3)s) and/or those with a fiscal sponsor.

ELIGIBILITY

- Grassroots and/or Community-based organizations dedicated to improving infant vitality
